

Helpful Government Information

During my first five years in office, thousands of residents have contacted my district offices to inquire about vital state services and programs that may be available to them or to ask for assistance with a state agency. As your state legislator, I want to provide the highest level of service, so encourage residents of the 24th Senatorial District to please call or visit my district offices if we can assist you in any way. Below is a list of some of the programs available to you:
